

Jason Gregory - Chief Product Officer

Jason is a seasoned product and technology professional, with over 18 years of experience creating and leading innovative commercial and technology solutions in Online Marketplaces, Publishing, Digital Marketing, Software as a Service (SaaS), Search and Competitive Intelligence across Australia, Southeast Asia and the UK.

He has a strong track record of delivering world class products, improving productivity and scale to drive growth locally and globally, with a focus on Product Management, Strategy, Innovation and Commercial Development.

In his previous roles at PropertyGuru, he led the mandate for FastKey, the Group's market leading software solution in South East Asia. As Director of Agent & Developer Products, Jason also spearheaded product teams to deliver stellar experiences and performance for Agents & Property Developers across Singapore, Malaysia, Thailand and Indonesia.
