

## **Maya Hari - Chief Executive Officer**

Maya is a global leader and seasoned C-suite executive in high growth digital and technology companies. Her career journey spans two decades and three continents focused on mobile, consumer and social businesses at Twitter, Google, Microsoft and Cisco. She also successfully spearheaded digital transformation at Samsung & Conde Nast.

Prior to joining Terrascope, Maya spent seven years at Twitter in a variety of roles including VP of Global Strategy as well as Managing Director of Twitter's Asia Pacific business. Throughout her career, Maya has managed large teams from diverse cultural contexts having worked and lived in the US, France, India and Singapore. She brings deep expertise scaling businesses globally including key markets such as US, China, Latin America, India & SE Asia.

She is an avid angel investor in technology and sustainability and is a key member of the ecosystem via networks such as XA, TiE and YPOwe.
